Europe's leading quality-assured outdoor walking & climbing boot repair service

Repairing your footwear since 1981

Walking boots

Traditional leather, plastic, lightweight boots and approach shoes can all be resoled to restore their original performance.

Manufacturers' sole units from **Brasher**, **Danner**, **Hanwag**, **Meindl**, **La Sportiva**, **Lowa**, **Scarpa**, **Zamberlan**, **Timberland** and others are used together with the extensive **Vibram** range. After resoling, the new materials will require a degree of bedding in and it is advisable to break them in steadily before prolonged use.
